

PoE Repeater Extends PoE up to 300m

UTP7201ER-POE

- Extend 100Mbps Ethernet signal up to 300m;
- Support PoE/PoE+, extend power supply distance;
- 2x output ports, easy for cascade application;
- Less than 20us latency.

Signals PoE+ Power	Long Distance 300m	POE Out 2 Ports	Compatibility Mid-span/ End-span	Low Latency	MIT Standard MIT	Lighting Protection
